ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on a motion for extension of time to file the Agency Record, filed by the Illinois Environmental Protection Agency (Agency) on July 26, 1995. In its motion, the Agency requests an extension until October 24, 1995 to file its record in this matter. In support of its motion the Agency states that, due to the press of other business, Agency counsel was unable to prepare the record for this permit appeal within the 14 days allotted pursuant to the Board's rule at 35 Ill. Adm. Code 105.102. The Agency believes that no prejudice will result from the requested extension.

Subsequently, on August 21, 1995, the Agency filed the record in this matter with the Board. We note that petitioner has waived the decision deadline in this matter until January 5, 1996. The motion for extension of time to file the Agency record is hereby granted, and we accept the record as timely filed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 24<sup>th</sup> day of August, 1995, by a vote of 7-0.
