ORDER OF THE BOARD (by C.A. Manning):

On August 3, 1995, the Illinois Environmental Protection Agency (Agency) and Central Illinois Public Service Company (Central Illinois) filed a notice of extension of the 35-day appeal period pursuant to Section 40 of the Act, relating to a June 30, 1995 Agency determination. On August 7, 1995 the Agency moved to supplement the record with a copy of the permit; this motion is granted.

P.A. 88-690 (SB1724) effective January 24, 1995, amends Section 40(a)(1), which governs the permit appeal process, to provide:

the 35-day period for petitioning for a hearing may be extended for a period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period.

As the Board maintains its files by docket number only, the Board will reserve Docket PCB 96-31 for any appeal which may be filed by Central Illinois. In the event that Central Illinois fails to file an appeal on or before November 2, 1995 (the 125th day after June 30, 1995), the Board will dismiss the docket as unnecessary. A \$75.00 filing fee will, of course, be required at such time as Central Illinois files such petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 24th day of August, 1995, by a vote of 7-0.
