# 71-253

Opinion and Order of the Board (by Mr. Currie):

Mrs. Pena asks relief from our North Shore Sanitary District sewer connection ban to move into a new home for which federal mortgage assistance arrangements were made before the date of the ban. The family is needy and its present living conditions very unsatisfactory. As the Agency says, the case is governed by our decisions in ## 71-113, McAdams v. EPA, and 71-161, Patricia Development Corp. v. EPA, and the variance is hereby granted.

I, Regina E. Ryan, Clerk of the Pollution Control Board, certify that the Board adopted the above Opinion and Order this 14 day of October, 1971.
