 Respondent. )

ORDER OF THE BOARD (by E. Dunham)

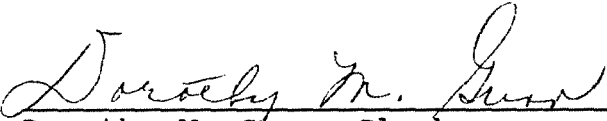

On April 6, 1995, Polyfoam Packers Corporation (Polyfoam) filed an amended petition. The filing of an amended petition restarts the Board's decision timeclock. Therefore, the decision deadline in this matter is now August 4, 1995. On April 13, 1995, Polyfoam filed a "Request for Expedited Decision". Therein, Polyfoam requests that the Board maintain the July 13, 1995 due date of the original petition. Polyfoam states that the filing of the amended petition will not delay this matter. Polyfoam represents that the attorney for the Environmental Protection Agency (Agency) concurs in petitioner's request.

The Board denies petitioner's request to retain the due date of the original petition. However, in recognition of the motion for expedited decision the Board will proceed to a decision on this matter expeditiously, consistent with the Board resources and time constraints.

The Agency recommendation is due within 30 days of the filing of the original petition or any amendment. Therefore, the Agency recommendation is due on May 5, 1995. Hearing in this matter is currently scheduled for May 15, 1995. Considering the date of the scheduled hearing and the Agency's concurrence with petitioner's request for expedited decision, the Board anticipates that the recommendation will be filed prior to May 5, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20<sup>th</sup> day of April, 1995, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
