	v.)	#	71-87
CT.AREMONT H	TT.T.S	WATER	£. (SEWER	CO)		

Supplementary Order:

In an earlier proceeding in this case we ordered, among other things, the payment of a money penalty. The company has petitioned for an extension by ninety days of the time in which the penalty may be paid, stating that because it has not yet received a certification to charge for its services it is without funds but that the problem should be corrected, and funds made available, within ninety days. The Agency, through its attorney, has indicated it does not oppose this motion. The motion is hereby granted.

I, Regina E. Ryan, Clerk of the Pollution Control Board, certify that the Board adopted the above Supplementary Order this 26 day of October , 1971.
