ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on a January 17, 1995 motion for extension of time filed by complainants DoAll Company, DoAll Credit Corporation, and the Rams-Head Company (collectively, DoAll). Complainants seek an extension of time until February 20, 1995 to respond to the motions to dismiss filed by respondents Mobil Oil Company, Inc. (Mobil) and Skokie Valley Asphalt, Inc. (SVA). By order dated January 20, 1995, the Board had directed DoAll to file its response to the motions to dismiss by January 20, 1995.

In support of the motion for extension of time, DoAll asserts that it is finalizing a settlement with Mobil, and that Mobil's counsel has agreed to the requested extension. DoAll further asserts that it has entered settlement negotiations with SVA, and that SVA has obtained new counsel that has agreed to the requested extension.

The motion for extension of time is granted. Both DoAll's response to Mobil's motion to dismiss and DoAll's response to SVA's motion to dismiss are now due February 20, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2nd day of February 1995, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
