ORDER OF THE BOARD (by M. McFawn):

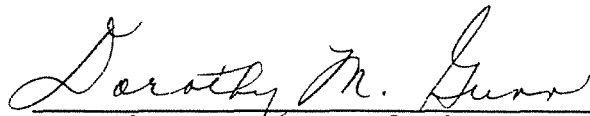

This matter is before the Board on a February 22, 1995 motion to extend time to file the Agency recommendation, filed by the Illinois Environmental Protection Agency (Agency). The Agency seeks an extension until June 19, 1995 to file its recommendation. The motion was supported by the affidavit of James J. O'Donnell. The Agency was previously granted an extension until February 20, 1995.

In support of its motion, the Agency states that recent developments may resolve the differences between the parties, and that additional time is necessary to allow for stack tests to be conducted. The Agency notes that petitioner has filed a waiver of the decision deadline until September 15, 1995.

The Agency motion for extension of time is granted. The Agency recommendation is now due on or before June 19, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 9th day of March, 1995, by a vote of 4-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
