ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,) (Variance)))
Respondent.)

ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on a December 21, 1994 motion to extend time to file the Agency recommendation, filed by the Illinois Environmental Protection Agency (Agency). The Agency seeks an extension until January 9, 1995 to file its recommendation. The motion was supported by the affidavit of James J. O'Donnell.

In support of its motion, the Agency states that it has not yet completed its review of the variance petition. The Agency also states that no one will be prejudiced by the requested extension, since the petitioner has filed a waiver of the decision deadline until May 19, 1995.

The Agency motion for extension of time is granted. We note that although the Agency requested an extension until January 9, 1995, the recommendation has not yet been filed with the Board. We therefore direct the Agency to file its recommendation by January 20, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the //h day of _______, 1995, by a vote of ______.
