OPINION AND ORDER OF THE BOARD (by J. Theodore Meyer):

This matter comes before the Board upon a seven-count complaint filed August 12, 1994, the Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency, and the People of the State of Illinois, against the City of Gillespie, John Crawford, d/b/a Knostman Crawford Associates, and H & H Mechanical and Electrical Contractors, Incorporated.¹

The complaint alleges that the respondents have violated Section 12(a), (b), (d) and (f) of the Environmental Protection Act (Act), (415 ILCS 5\12(a), (b), (d) and (f)(1992)) and 35 Ill. Adm. Code 309.102(a), 302.203, 302.212(e) and 304.106 by the unpermitted cutting of the berms, failing to notify or report to the Agency the incident, by causing or allowing the discharge of effluent of color above obvious levels, causing or allowing the discharge of the treatment plant's receiving stream to become discolored and odorous, and by causing or allowing effluent from cells #3 and #4 to enter Bear Creek.

On January 11, 1995, the parties filed a stipulation and proposal for settlement as to the John Crawford, d/b/a Knostman Crawford Associates only, accompanied by a request for relief from the requirements of Section 31(a)(1) of the Act that

¹ On December 1, 1994, the Board adopted an opinion and order accepting a settlement agreement between the complainant and H & H Mechanical. Subsequently, on January 11, 1995, the Board adopted an opinion and order accepting a settlement agreement between the complainant and the City of Gillespie.

proposed stipulated settlements be presented at public hearing. (415 ILCS 5/31(a)(1) (1992).) The Board published a notice of the waiver on January 18, 1995; no objection to granting of the waiver was received. Waiver of hearing is hereby granted as to John Crawford, d/b/a Knostman Crawford Associates only.

The parties filed a stipulation and settlement agreement on January 11, 1995. The stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. John Crawford, d/b/a Knostman Crawford Associates admits the alleged violations and agrees to pay a civil penalty of twenty-five thousand dollars (\$25,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter, as to John Crawford, d/b/a Knostman Crawford Associates only.
