ORDER OF THE BOARD (by M. McFawn):

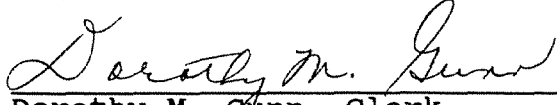

This matter is before the Board on two joint motions for extension of time filed on February 14, 1995: the first filed on behalf of petitioners DoAll Company, DoAll Credit Corporation, and the Rams-Head Company (collectively, DoAll) and respondent Mobil Oil Company, and the second filed on behalf of DoAll and respondent Skokie Valley Asphalt Company (SVA). In both joint motions, the parties seek an extension of time until March 20, 1995 for DoAll to respond to the motion to dismiss filed by the joint-movant respondent. By order dated February 2, 1995, the Board had directed DoAll to file its response to the motions to dismiss by February 20, 1995.

In support of the motions for extension of time, the parties state that they are continuing settlement negotiations, and that the parties have agreed to the requested extension.

The motion for extension of time is granted. Both DoAll's response to Mobil's motion to dismiss and DoAll's response to SVA's motion to dismiss are now due March 20, 1995. Alternatively, the parties may file status reports, either jointly or separately, by that date.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 16<sup>th</sup> day of March 1995, by a vote of 7-0.
