ORDER OF THE BOARD (J. Yi):

This matter comes before the Board pursuant to an Illinois Environmental Protection Agency ("Agency") Motion for Extension of Time to File Agency Recommendation, filed March 7, 1995. Counsel for the Agency represents in a motion and supporting affidavit, that the Agency is currently reviewing the requested variance petition and believes that it is in the best interest of all parties to enter into discussions before filing the recommendation. The Agency requests an extension of time until March 30, 1995. The Agency states Safety-Kleen has no objection to the filing of the instant motion, and that petitioner has filed an open waiver.

The motion is hereby granted. The Agency is directed to file the recommendation, or any other appropriate motion, on or before March 30, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 16th day of MARCH, 1995, by a vote of 7-0.
