FROM 35 ILL. ADM. CODE ) (Adjusted Standard-Air)  
218 SUBPART F )

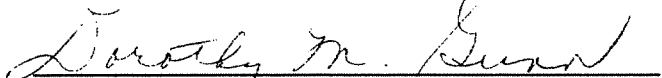

ORDER OF THE BOARD (by J. Yi):

On February 7, 1992, the Stiffel Company (Stiffel) filed a petition for an adjusted standard from 35 Ill. Adm. Code 218 Subpart F. Stiffel and the Illinois Environmental Protection Agency (Agency) have indicated that they have reached an agreement on a plan for achieving compliance with the 35 Ill. Adm. Code Part 218, Subpart F regulations. The joint status report filed by the parties on March 10, 1995, states that agreement has been achieved and that Stiffel has been operating under that agreed compliance plan. The parties state that Agency is in the process of finalizing a consent agreement that embodies the compliance plan that will be referred to the Office of the Attorney General for finalization. However, the parties state that no referral has been made but preparation is taking place. The parties still state that a hearing should not be scheduled and request an additional three (3) month stay.

The parties' motion for stay is granted until June 15, 1995. An updated joint status report is due to be filed on or before June 9, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 16<sup>th</sup> day of March, 1995, by a vote of 7-0.
