ORDER OF THE BOARD (by M. McFawn):

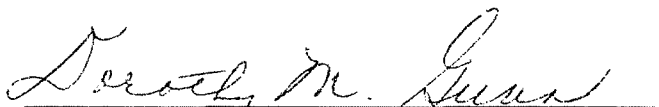

This matter is before the Board on a November 28, 1994 motion for extension of time to file a recommendation filed by Illinois Environmental Protection Agency (Agency). Pursuant to Section 104.180 of the Board's procedural rules (35 Ill. Adm. Code 104.180), the Agency must file its recommendation in response to a variance petition within 30 days of the filing of the petition. The petition in this matter was filed on November 2, 1994; the Agency recommendation is therefore due December 2, 1994. The Agency seeks an extension until December 12, 1994.

In support of its motion, the Agency states that it has requested but has not yet received additional information from petitioner. The Agency asserts that it needs the requested information in order to make its recommendation.

The requested extension is hereby granted. The Agency recommendation is now due on or before December 12, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 1st day of December, 1994, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
