ORDER OF THE BOARD (by C.A. Manning):

On June 12, 1991, Safety-Kleen Corporation (Safety-Kleen), filed a petition for review of the Illinois Environmental Protection Agency's (Agency) imposition of certain conditions in its closure permit. Safety-Kleen filed a waiver of the statutory decision deadline on June 28, 1991. Safety-Kleen's most recent status report, filed on July 18, 1994, stated that it was attempting to resolve the matter without proceeding to hearing and stated that it would file another status report within forty-five (45) days. Based on this status report the Board, on July 21, 1994, directed the parties to file an updated status report on or before September 9, 1994.

As of the date of this order an updated status report has not been filed in this matter. The parties are again directed to file a status report on or before October 28, 1994. If no such status report is filed, this matter will be set for hearing or, alternatively, may be subject to dismissal for want of prosecution.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6th day of October, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
