CONCURRING OPINION BY (E. Dunham, R.C. Flemal and G.T. Girard):

The undersigned find that the grant of variance to Waste Management is appropriate, but we would have granted intervenor status to the City of Geneva because the City is so situated as to be potentially adversely affected by a decision of the Board. Our decision is based in part upon the fact that the City boundary runs through a portion of the facility that is the subject of the variance.

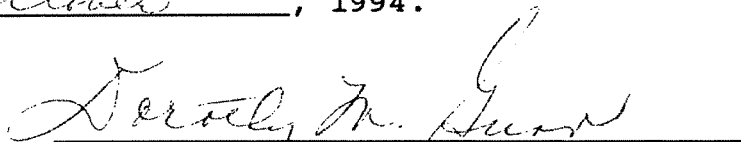

The undersigned, therefore, CONCUR.

Dr. Ronald C. Flemal,

Dr. G. Tanner Girard,

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above concurring opinion was filed on the 6th day of October, 1994.
