ORDER OF THE BOARD (by E. Dunham):

On December 9, 1994, Sherex Chemical Co. (Sherex) filed a status report pursuant to a Board order. Sherex also filed a waiver of the decision deadline through and including May 30, 1995. This permit appeal was filed on October 24, 1991. In a June 16, 1994 letter Sherex withdrew the RCRA Part B application. The status report indicates that Sherex has contacted the Illinois Environmental Protection Agency (Agency) to determine the schedule for completion of this matter and the Agency has indicated that the issue will be addressed promptly. Sherex indicates that it will withdraw its appeal upon successful withdrawal of the RCRA Part B application.

Absent an additional waiver, the Board must decide this matter based on the record at its May 18, 1995 meeting. The Board orders the parties to file status reports with the Board on or before May 5, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 14<sup>th</sup> day of December, 1994, by a vote of 6-0.
