ORDER OF THE BOARD (by Mr. Dumelle):

On December 7, 1979 Petitioner requested a variance from Rule 205(m)(3) of the Air Pollution Control Regulations. The Petition is deficient in several respects. First, it fails to state the size of Petitioner's business as required by Procedural Rule 401(a)(2). Second, it fails to indicate the quantity of organic material emitted from Petitioner's facilities as required by Procedural Rule 401(a)(4). Third, it fails to describe a detailed program including costs and schedules to come into compliance with the Air Pollution Control Regulations as required by Procedural Rule 401(a)(6). Fourth, it fails to assess the environmental impact of granting a variance as required by Procedural Rule 401(a)(7). Fifth, it fails to specifically request or waive a hearing as required by Procedural Rule 401(b). Consequently this matter is hereby dismissed without prejudice. If Petitioner wishes to refile this matter with the corrections noted here, it should feel free to do so.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 13<sup>th</sup> day of December, 1979 by a vote of 4-0.
