ORDER OF THE BOARD (by G. T. Girard):

On October 6, 1994, petitioners filed a joint motion for rehearing and reconsideration. On October 19, 1994, the Illinois Environmental Protection Agency responded in opposition to the motion to rehear. The motion asks the Board to reconsider its order of September 1, 1994, wherein petitioners' permit appeal was dismissed.

The Board's rules at Section 101.246(d) states that the Board will consider factors including, but not limited to "error in the decision and facts in the record which are overlooked". (35 Ill. Adm. Code 246.) The Board has reviewed the motion and finds that petitioners have failed to identify any error in the Board's original decision and have presented no new facts or arguments. Therefore, the motion for reconsideration is denied.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 20th day of October, 1994, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
