ORDER OF THE BOARD (by G. T. Girard):

On July 12, 1994, the Appellate Court of Illinois, First District issued a mandate which reverses and remands the Board's February 4, 1993 opinion and order in this proceeding. The Board's February 4, 1993 opinion and order had affirmed the Agency's denial of eligibility for a reported release from underground storage tanks owned by Chemrex. The First District remanded the case for "further proceedings not inconsistent with" the First District's opinion.

The Board is today requesting that the parties file with the Board no later than September 9, 1994 their views regarding what proceedings are appropriate in this case at this time.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11th day of August, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
