ORDER OF THE BOARD (by E. Dunham):

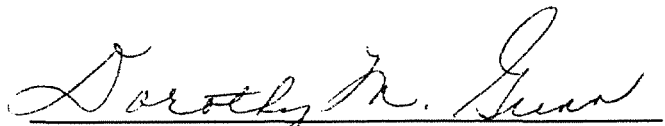

On September 12, 1994, complainants filed a letter with the Board. In the letter, the complainants state that they were out of town and therefore were not aware of the respondent's August 8, 1994 motion for summary judgment until the first week in September. Complainants further state that they believe that they have 30 days following receipt of the respondents filing in which to respond. The complainants characterize the letter as a response to the respondent's motion for summary judgment.

On September 1, 1994, the Board granted the respondent's motion for summary judgment. The Board's procedural rules allow 7 days after service of a motion for the filing of a response to the motion. (35 Ill. Adm. Code 101.241.) The Board will construe the current filing by complainant as a motion for reconsideration because the letter was filed after the 7 day period to respond had lapsed and after the Board had issued its order on the motion.

A response to a motion for reconsideration shall be filed within 14 days from the filing of the motion. (See 35 Ill. Adm. Code 101.246(b).) The Board will not rule on the complainants' motion for reconsideration until after the time for a response has expired.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15<sup>th</sup> day of September, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
