ORDER OF THE BOARD (C.A. Manning):

This matter comes before the Board pursuant to an Illinois Environmental Protection Agency ("Agency") Motion for Extension of Time to File Agency Recommendation, filed February 2, 1994. Counsel for the Agency represents in a motion and supporting affidavit, that the Agency is currently reviewing the requested variance petition and discussion regarding the variance and a possible adjusted standard are ongoing. The motion and affidavit indicate the recommendation was due January 31, 1994; however an extension would allow the parties sufficient time to resolve this case. The Agency states Ensign-Bickford has no objection to the filing of the instant motion, and that petitioner has filed an open waiver.

The motion is hereby granted. The Agency is directed to file the recommendation within 30 days after the hearing officer has entered an order scheduling a hearing. The Agency recommendation shall be filed with the Board at least 40 days prior to the scheduled hearing date unless the parties otherwise agree.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17<sup>th</sup> day of February, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
