ORDER OF THE BOARD (by E. Dunham):

On September 6, 1994, Safety-Kleen Corp. (Safety-Kleen) filed a status report pursuant to the Board's order. The status report states that Safety-Kleen and the Illinois Environmental Protection Agency (Agency) have met to discuss issues related to this appeal. As a result of these meetings, the Agency has agreed to adopt a modified listing of wastes to be incorporated into Safety-Kleen's permit. Safety-Kleen states that when the new listing is incorporated in the permit, it will voluntarily withdraw this appeal.

The Board accepts the status report from Safety-Kleen. The Board directs Safety-Kleen and the Agency to file status reports (or a joint status report, if the parties prefer) no later than October 28, 1994, in the event this matter has not already been resolved and dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15th day of September, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
