OPINION AND ORDER OF THE BOARD (by C.A. Manning):

This matter comes before the Board upon a two-count complaint filed January 7, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Gerald V. Johnson, d/b/a Jerry's (Jerry's) which is not a registered corporation located at 6006 South Ridge Road, in the City of Oregon, Ogle County, Illinois. The complaint alleges that Jerry's has violated Section 9(b) of the Environmental Protection Act (Act), 415 ILCS 5/9(b) and 35 Ill. Adm. Code §§ 201.142, and 201.143, by operating and constructing emission sources without the required permits.

Pursuant to 415 ILCS 5/31(a)(1), the parties filed a joint motion requesting relief from the Act's hearing requirement on January 7, 1994. The Board published a Notice of the waiver on January 17, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a stipulation and settlement agreement on January 7, 1994. The stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Jerry's admits the alleged violations and agrees to pay a civil penalty of one thousand five hundred dollars (\$1,500.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
