ORDER OF THE BOARD (by C.A. Manning):

On January 12, 1994, the North Shore School District #112 filed a petition for review of an Office of the Illinois State Fire Marshal ("OSFM") eligibility and deductibility determination to access the Underground Storage Tank Fund. The OSFM issued a final determination letter on December 13, 1993 pursuant to 57.9(c) of the Act and the appeal was brought under Section 57.9(c)(2). (415 ILCS 5/57.9(c)(1993).) On February 7, 1994, the North Shore School District #112 filed a motion for dismissal of the appeal, stating that the District was unable to recover heating oil tank receipts demonstrating the tanks were in use after January 1, 1974.

The motion is granted; the docket in this matter is hereby closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of February, 1994, by a vote of 6-0.
