ORDER OF THE BOARD (by G. Tanner Girard):

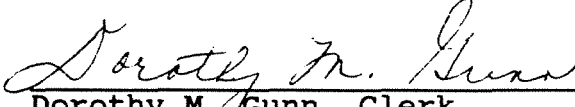

On January 3, 1994, Anne Shepard, James Verhein, and Jerold Leckman (complainants) filed a complaint against Northbrook Sports Club and the Village of Hainesville (Northbrook or respondents) alleging that Northbrook emits noise in violation of Sections 23 and 24 of the Environmental Protection Act (Act) (415 ILCS 5/23 and 24). On February 3, 1994, the Board granted complainants' motion for extension of time to respond to motion to dismiss complaint as frivolous. Complainants were directed to file their response on or before March 4, 1994.

On February 24, 1994, respondents objected to complainants' first and second set of discovery requests. On March 2, 1994, complainants filed an amendment to complainants' January 31 motion and a motion for extension of time to respond to Northbrook's motion to dismiss the complaint. Also, on March 2, 1994, complainants filed a motion to dismiss Northbrook Sports Club's response to complainants' discovery requests. The Board construes this motion as a response to the objections to discovery requests. In addition, on March 2, 1994, respondent Northbrook Sports Club, filed a response to complainants' amendment to complainants' January 31 motion. In part, the response states Northbrook Sports Club's opposition to complainants' motion for extension of time.

The Board hereby grants complainants' motion for extension of time to respond to motion to dismiss complaint. Complainants' response to the motion to dismiss complaint shall be received by the Board on or before April 4, 1994. The Board reserves judgment on all other pending motions and requests.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of March, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
