 Respondents.)

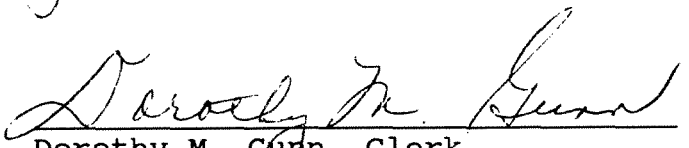

ORDER OF THE BOARD (by E. Dunham):

This matter comes before the Board on an "Agreed Motion to Stay All Actions on All Pending Motions" filed on July 15, 1994. The complaint in this matter was filed on April 19, 1994. Pending before the Board are complainant's motion to strike respondent's affirmative defenses and respondent's motion to dismiss. The parties request that the Board stay action on the pending motions because the parties have reached an agreement in principle settling this matter. The parties state that they expect to file a stipulation and settlement with the Board in the near future. The Board notes that the motion for stay does not specify a date for the expiration of the stay.

The motion for stay is granted. However, the Board does not favor indefinite stays. Accordingly, the Board will grant the stay for a period of 90 days. The stay will expire October 19, 1994, at which time the parties are directed to file a status report.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of July, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
