ORDER OF THE BOARD (by C. A. Manning):

On January 25, 1994, American Tree Service, Inc., (American) filed a petition for permit review regarding its facility, located in Sangamon County. The Board set the matter for hearing in its order of February 3, 1994.

American, on February 3, 1994, filed an "Amended Notice of Filing" to change the case caption to reflect that American is incorporated in the State of Delaware and not the State of Illinois. The filing makes no substantive changes to the original petition filed January 25, 1994.

On February 14, 1994, the Illinois Environmental Protection Agency (Agency) filed a motion for an extension of time to file its record in this proceeding. The Agency requests that the Board extend the filing time until February 16, 1994.

The Board will accept American's February 3, 1994, filing as an amended petition to correct the caption of the original petition and grants said motion. The Clerk of the Pollution Control Board is directed to correct the caption in this matter to reflect that American is incorporated in the State of Delaware and that the decision due date shall run from the filing of the amended petition. Since the amended petition has extended the deadline; the Agency's motion for an extension of time to file its record is moot. The Agency record is therefore due to be filed on or before February 17, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of February, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
