ORDER OF THE BOARD (by E.Z. Kezelis):

On December 28, 1999, BEMA Film Systems, Inc. (BEMA) filed a motion to dismiss its May 21, 1999 petition for variance. In support of its motion, BEMA states that it has determined that an adjusted standard, not a variance, is more appropriate for the type of relief it is seeking. Since BEMA did, on December 17, 1999, file a petition for adjusted standard with the Board, it now wishes to dismiss this variance.

BEMA's motion to dismiss is granted and this docket is hereby closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6th day of January 2000 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
