ORDER OF THE BOARD (by E. Dunham):

On December 6, 1993, Highland Park School District #108 (School District) filed a new status report in response to the Board's November 18, 1993 order. The Environmental Protection Agency (Agency) did not file a status report. The School District also filed an open waiver of the decision deadline. The School District reports that it has filed a Reimbursement Eligibility and Deductibility Application with the Illinois Office of the State Fire Marshal (OSFM). A decision from the OSFM is anticipated by March 15, 1994. The School District wishes to keep the matter before the Board open while its application is pending before the OSFM.

The Board directs the parties to file additional status reports in this matter on or before April 22, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 6th day of January, 1994, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
