ORDER OF THE BOARD (by R.C. Flemal):

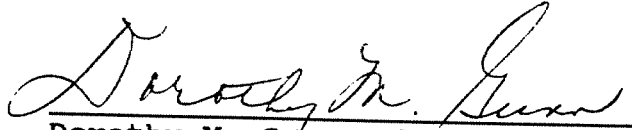

This matter comes before the Board on a joint status report filed by the parties on December 16, 1993. The parties state that they need an additional 30 days to address remaining issues involving this permit appeal and a new permit application, and ask that the Board set a new status date for submittal of additional status reports within 30 days. The parties further state that significant progress has been made on issues that had previously delayed the preparation of the revised permit application. The petitioner also submits a waiver of the decision deadline until November 1, 1994¹.

The parties shall submit status reports to be received by the Board and hearing officer no later than January 17, 1994.

IT IS SO ORDERED.

¹ Petitioner indicates that a document is included which gives a waiver of the decision deadline until November 7, 1994. The waiver document actually waives the decision deadline until November 1, 1994.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6th day of January, 1994, by a vote of 7-0.
