ORDER OF THE BOARD (by C. A. Manning):

Riverside Laboratories Inc. (Riverside), on January 4, 1994, filed a joint status report pursuant to the Board's order of November 4, 1993, a motion for continuance of stay, a waiver of decision deadline, and an appearance of Cynthia A. Faur on behalf of the petitioner. In the status report, Riverside states that related to this permit appeal it has a consolidated variance petition pending before the Board, PCB 91-161 and PCB 90-164, all pertaining to the Part 218 papercoating regulations as applied to Riverside. Riverside states that it also has pending before the United States Environmental Protection Agency (USEPA) a reconsideration of the Federal Implementation Plan (FIP) papercoating regulations as applied to Riverside. Riverside also states that USEPA has granted Riverside a stay of enforcement of the papercoating limitations, pending final review. The Board regulations at 35 Ill. Adm. Code 218.103(a)(2) stays the effectiveness of Part 218 as applied to each FIP appellant to the extent that each appellant receives a stay of the FIP from the USEPA. The status report further states that on December 16, 1993 a Notice of the Proposed Rulemaking was published in the Federal Register and that the public comment period ends January 18, 1994. (58 Fed. Reg. 65688 (December 16, 1993).) Riverside states that the Agency has agreed that the hearings in this matter should be held pending the settlement with the USEPA.

Riverside Laboratories also filed a waiver of the decision deadline extending the deadline until August 2, 1994, and a motion for continuance of the stay until August 2, 1994 or at such other time as the Board deems necessary.

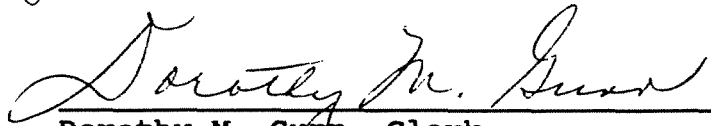

The Board grants a stay in this matter until April 21, 1994, which allows the Board sufficient time, if necessary to process this case prior to the new decision deadline. Riverside Laboratories may petition the Board for an extension of the stay providing that an appropriate waiver of the decision deadline is also filed.

The parties are directed to file an updated status report on

or before April 8, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6th day of January, 1994, by a vote of 7-0.
