ORDER OF THE BOARD (by R.C. Flemal):

This matter comes before the Board three motions. The first is a motion for continuance that was filed with the Board on May 16, 1994, the second is a motion for substitution of attorneys filed May 27, 1994, and the third is a joint motion for dismissal also filed on May 27, 1994.

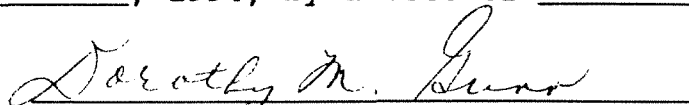

The motion for continuance was referred to the Board for decision by the hearing officer in this case. On May 19, 1994 the Board issued an order directing the parties to show cause why this matter should not be dismissed since there are no pending issues to be decided by the Board. The Board did not rule on the motion for continuance pending receipt of appropriate documents addressing the dismissal.

On May 27, 1994 the petitioner filed a stipulation for substitution of attorneys which the Board construes as motion for substitution of attorneys. The Board grants the motion for substitution of attorneys.

As noted above, the parties have filed a joint motion to dismiss. The motion is granted and this matter is hereby dismissed and the docket closed. The Board denies the motion for continuance as moot.

IT IS SO ORDERED.

I Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2<sup>nd</sup> day of June, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk
