ORDER OF THE BOARD (by E. Dunham):

This permit appeal was filed on October 24, 1991. Sherex Chemical Co. has filed its 11th waiver in this matter extending the decision deadline from June 30, 1994 until August 11, 1994. Previous status reports filed by Sherex have indicated that an agreement has been reached with the Illinois Environmental Protection Agency (Agency) and that this matter would be dismissed upon the issuance of a new permit by the Agency.

Absent an additional waiver, the Board must decide this matter based on the record at its August 11, 1994 meeting. The Board orders the parties to file status reports with the Board on or before August 1, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of June, 1994, by a vote of 6-0.
