

ILLINOIS POLLUTION CONTROL BOARD
January 6, 1994

IN THE MATTER OF:)
RCRA SUBTITLE D AMENDMENTS) (Identical in Substance Rule) R93-22

Proposed Rule. Dismissal Order.

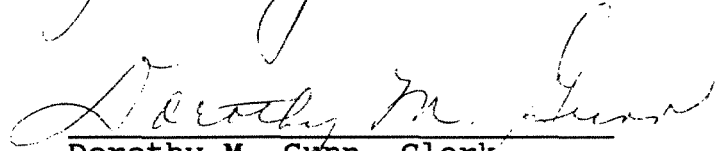

ORDER OF THE BOARD (by G. T. Girard)

Section 22.4(a) of the Act (as amended by P.A. 88-496 and 88-512) requires the Board to adopt regulations implementing Subtitle D of the Resource Conservation and Recovery Act as "identical in substance". Accordingly, the Board reserved this docket for USEPA amendments during the period from January 1 through June 30, 1993.

During that time period, USEPA only amended its landfill regulations at 58 Fed. Reg. 9248 (Feb. 19, 1993). Those amendments revised 40 CFR 257 which accommodates a sludge management program that does not exist in Illinois. The amendments affected landfill operations only to the extent that they state the interplay of two governing sets of regulations: the RCRA Subtitle D rules (40 CFR 256-258) and the federal sludge management rules (40 CFR 503). Therefore no action is necessary in this docket and the Board hereby dismisses the proceeding.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6th day of January, 1994, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
