ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on its own motion. On March 26, 1993, petitioner H & H Towing-Phillips 66 (H & H) filed an open waiver of the decision deadline, and a motion to continue the March 31, 1993 hearing scheduled in this case. That motion stated that H & H and the Illinois Environmental Protection Agency (Agency) were engaged in on-going negotiations which may lead to a full resolution of this appeal. The March 31 hearing was cancelled. The record does not contain any updated information since that March 26 filing.

The parties are directed to file a status report with the Board no later than December 3, 1993. That report shall indicate the status of negotiations between the parties, and include a projection as to the timing of further proceedings before the Board.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 4th day of November, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
