ORDER OF THE BOARD (by R.C. Flemal):

This matter comes before the Board on a joint status report filed by the parties on January 18, 1994. The parties state that they need an additional 30 days to address remaining issues involving this permit appeal and a new permit application, and ask that the Board set a new status date for submittal of additional status reports within 30 days. The parties further state that significant progress has been made on issues that had previously delayed the preparation of the revised permit application.

The parties shall submit status reports to be received by the Board and hearing officer no later than February 18, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20th day of January, 1994, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
