

ILLINOIS POLLUTION CONTROL BOARD
March 31, 1994

IN THE MATTER OF:)
)
PETITION OF REYNOLDS) AS 91-8
METAL COMPANY FOR ADJUSTED) (Adjusted Standard)
STANDARD FROM 35 ILL. ADM.)
CODE 218.980)

ORDER OF THE BOARD (by M. McFawn):

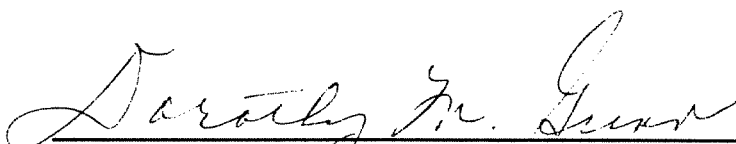

This matter is before the Board pursuant to an interim status report filed by Reynolds Metal Company (Reynolds) on March 23, 1994. On March 3, 1994, we extended the stay in this case until Thursday, June 23, 1994 while Reynolds awaits U.S. EPA's final promulgation of a site specific control requirement for Reynold's aluminum rolling operations. We asked petitioner to file an updated status report addressing the U.S.EPA's progress either on or before Thursday, June 16, 1994, or within 14 days after the USEPA publishes the final rule, whichever comes first.

After petitioner submitted its last status report in this matter, U.S.EPA personnel informed Reynolds that U.S.EPA Region V intends to forward the proposed rule to U.S.EPA Headquarters in May or June of 1994 for finalization. The projected publication date for the final rule would then be at the end of this upcoming summer. As such, Reynolds is requesting an extension of the stay beyond June 23, 1994.

Reynolds' motion is hereby granted. The stay in this matter shall be extended until September 15, 1994. Reynolds is directed to file a status report on or before Thursday, September 8, 1994 indicating the status of the federal rule. If, however, the rule is finally promulgated before September 8, 1994, Reynolds is requested to file the appropriate motion.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 31st day of March, 1994, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
