ORDER OF THE BOARD (by C. A. Manning):

This matter is before the Board on a petition for adjusted standard filed by Illinois Wood Energy Partners, L.P. (Wood Energy) on February 8, 1994 pursuant to Part 106 of the Board's rules (35 Ill. Adm. Code 106) and Section 28.1 of the Environmental Protection Act (Act) (415 ILCS 5/28.1). A hearing was held in the matter in Chicago Heights, Illinois on May 11, 1994. At that hearing, the Hearing Officer, in order to provide a more complete record to the Board, directed Wood Energy to file with the Board all substantive filings from the Illinois Commerce Commission proceeding, docket #93-0610. The current motion before the Board was filed by Wood Energy on June 3, 1994. The motion requests the Board to allow Wood Energy to supplement substantive filings in this matter in order to fulfill the Hearing Officer's order.

On May 25, 1994, Wood Energy provided the Board its Post-Hearing Brief and a document entitled Substantive Filings from Petitioner's Illinois Commerce Commission Proceeding, ICC Docket 93-0610 (Substantive ICC Filings) as directed to by the Hearing Officer. Part of the filings concerning the Illinois Commerce Commission were not complete. The reverse sides of the pages making up Exhibit 3 of the Substantive ICC Filings were not reproduced when submitted to the Board therefore leaving the even numbered pages out of the document. Wood Energy's motion requests that the Board allows it to supplement its filing with the correct version of Exhibit 3 which is attached to the motion. The Board grants Wood Energy's motion to supplement its filings in this proceeding.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 23rd day of June, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
