ORDER OF THE BOARD (by B. Forcade):

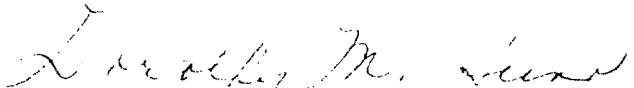

On September 2, 1993, American Waste Processing, Ltd. and the Environmental Protection Agency (Agency) filed a joint motion to stay review of this matter until December 31, 1993.

Hearings were held and all briefs filed. As a result of the hearings the parties are in agreement that it is in the best interest of all concerned for the Agency to further review this matter. Petitioner has agreed to file a new permit application with the Agency. The Agency is expected to review the application prior to December 15, 1993. The parties also note that an open waiver of the decision deadline has been provided by the petitioner. Therefore, the parties request the Board to stay its review of the record in this matter until after the Agency has reviewed the new permit application.

The Board grants the motion to stay review of the record in this matter until after December 31, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 9<sup>th</sup> day of September, 1993, by a vote of 7-0.
