August 5, 1993

LTV STEEL COMPANY, )  
 )  
 Petitioner, )  
 )  
 v. ) PCB 91-49  
 ) (Permit Appeal)  
 ILLINOIS ENVIRONMENTAL )  
 PROTECTION AGENCY, )  
 )  
 Respondent. )

ORDER OF THE BOARD (by R.C. Flemal):

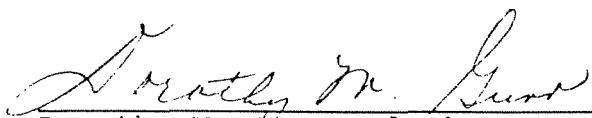

On July 22, 1993, LTV Steel Company (LTV) filed a status report and motion to stay this proceeding. LTV states that its thermal study has been performed and reports prepared. LTV and its engineers have now made revisions to these reports and plans to submit the reports to the Illinois Environmental Protection Agency (Agency). LTV estimates that in 90 days it intends to submit to the Board a petition for adjusted standard to modify the thermal limit currently set in the permit here on appeal. LTV requests that the Board continue to stay this proceeding for an additional 90 days. LTV reports that the Agency has no objection to the granting of the motion. An open waiver was previously filed in this proceeding.

The Board finds that the status report indicates sufficient progress toward resolution of this proceeding.

The Board grants the motion to stay and directs the parties to file a status report with the Board and hearing officer not later than November 5, 1993. Such status report shall include the date of the expected resolution of this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 5<sup>th</sup> day of August, 1993, by a vote of 6-0.
