ORDER OF THE BOARD:

This matter comes before the Board upon a December 6, 1993 filing of an Administrative Citation pursuant to Section 31.1 of the Illinois Environmental Protection Act (Act) by the Illinois Environmental Protection Agency (Agency). A copy of that Administrative Citation is attached hereto, but will not be printed in the Board's Opinion Volumes. Service of the Administrative Citation was made upon Illinois Waste Systems on December 2, 1993. The Agency alleges that on October 8, 1993, Illinois Waste Systems, present owner and/or operator of a facility located in Iroquois County, and commonly known to the Agency as Milford/Illinois Waste Systems, violated Sections 21(o)(6) and 21(o)(12) of the Act. The statutory penalty established for each of these violations is \$500.00 pursuant to Section 42(b)(4) of the Act.

Illinois Waste Systems has not filed a Petition for Review with the Clerk of the Board within 35 days of the date of service as allowed by Section 31.1(d)(2) of the Act. Therefore, pursuant to Section 31.1(d)(1), the Board finds that Illinois Waste Systems has violated each and every provision alleged in the Administrative Citation. Since there are two (2) such violations, the total penalty to be imposed is set at \$1,000.00.

1. It is hereby ordered that, unless the penalty has already been paid, within 30 days of the date of this Order Illinois Waste Systems shall, by certified check or money order payable to the State of Illinois and designated for deposit into the Environmental Protection Trust Fund, pay a penalty in the amount of \$1,000.00 which is to be sent to:

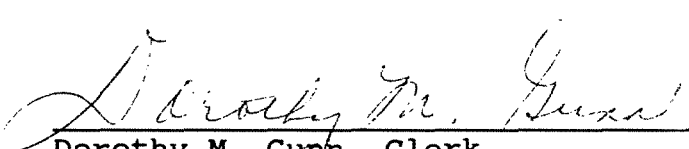

Illinois Environmental Protection Agency
Fiscal Services Division
2200 Churchill Road
P.O. Box 19276
Springfield, IL 62794-9276

2. Respondent shall include the remittance form and write the case name and number and their social security or federal Employer Identification Number on the certified check or money order.
3. Penalties unpaid after the due date shall accrue interest pursuant to Section 42(g) of the Illinois Environmental Protection Act.
4. Payment of this penalty does not prevent future prosecution if this violation continues.

Section 41 of the Environmental Protection Act, (415 ILCS 5/41 (1992)), provides for appeal of final orders of the Board within 35 days. The Rules of the Supreme Court of Illinois establish filing requirements. (See also, 35 Ill. Adm. Code 101.246, Motions for Reconsideration.)

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20th day of January, 1994, by a vote of 7-0.

JURISDICTION

This Administrative Citation is issued pursuant to authority vested in the Illinois Environmental Protection Agency by Ill. Rev. Stat. ch. 111 1/2, para. 1031.1 (1991).

FACTS

1. That Respondent, Illinois Waste Systems, is the present operator of a facility located in the County of Iroquois, State of Illinois.
2. That said facility is operated as a sanitary landfill, operating under Illinois Environmental Protection Agency Operating Permit No. 1975-32-OP, and designated with Site Code No. 0758170003. Said facility is commonly known to the Agency as Milford/Illinois Waste Systems.
3. That Respondent has owned or operated said facility at all times pertinent hereto.
4. That on October 8, 1993, Deborah Paxton and David Ramirez, of the Illinois Environmental Protection Agency, inspected the above-described landfill facility. A copy of the inspection report setting forth the results of such inspection is attached hereto and made a part hereof.

VIOLATIONS

On the basis of direct observation of Deborah Paxton and David Ramirez, the Illinois Environmental Protection Agency has determined that Respondent was conducting a sanitary landfill operation at the above-described facility, which is required to have a permit pursuant to Ill. Rev. Stat. ch. 111 1/2, para. 1021(d) (1991), in a manner which resulted in the following conditions:

A. That on October 8, 1993 an on-site inspection of said sanitary landfill facility and a review of Illinois Environmental Protection Agency files and records of said facility, disclosed the following:

- (1) Failure to provide final cover within time limits established by Pollution Control Board regulations, in violation of Ill. Rev. Stat. ch. 111 1/2, para. 1021(o)(6) (1991) [formerly 1021(p)(6)].
- (2) Failure to collect and contain litter from the site by the end of each operating day, in violation of Ill. Rev. Stat. ch. 111 1/2, para. 1021(o)(12) (1991) [formerly 1021(p)(12)].

CIVIL PENALTY

Pursuant to Ill. Rev. Stat. ch. 111 1/2, para. 1042(b)(4) (1991), Respondent herein is subject to a civil penalty of Five Hundred Dollars (\$500.00) for each violation specified above in Paragraph A, for a total of One Thousand Dollars (\$1,000.00). Additionally, should

Respondent elect to petition the Illinois Pollution Control Board under the review process described hereinbelow, and if there is a finding of the violations alleged herein, after an adjudicatory hearing, Respondent shall be assessed the associated hearing costs incurred by the Illinois Environmental Protection Agency and the Illinois Pollution Control Board, in addition to the Five Hundred Dollar (\$500.00) statutory penalty for each finding of violation.

If you acknowledge the violations cited hereinabove, the civil penalty specified above shall be due and payable no later than January 10, 1994.

If you do not petition the Illinois Pollution Control Board for review of this Administrative Citation within thirty-five (35) days of service hereof or if you elect to contest this Administrative Citation, any judgment rendered against you shall specify the due date of the statutory civil penalty and any costs assessed against you.

When payment is made, your check should be made payable to the Illinois Environmental Protection Trust Fund and mailed to the attention of Fiscal Services, Illinois Environmental Protection Agency, 2200 Churchill Road, P.O. Box 19276, Springfield, Illinois 62794-9276. Also, please complete and return the enclosed Remittance Form, along with your payment, to assure proper documentation of payment.

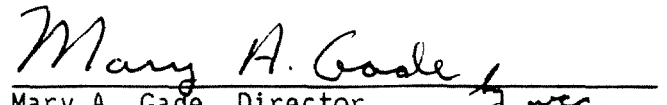

If any civil penalty, by reason of acknowledgment, default or finding after adjudicatory hearing, is not paid when due, the Illinois Environmental Protection Agency shall take into consideration such failure to pay during any permit review process upon your application for a new permit or for renewal of an existing permit. If any civil penalty imposed by the Illinois Pollution

Control Board is not paid within the time prescribed in the order, interest on such penalty will be assessed for the period from the date payment is due until the date payment is received. Furthermore, if payment is not received when due, the Office of the Illinois Attorney General shall be requested to initiate proceedings in Circuit Court to collect said civil penalty. In addition to the previously assessed civil penalty, interest, and hearing costs of the Illinois Environmental Protection Agency and the Illinois Pollution Control Board, if any, the Attorney General's Office will seek to recover their costs of litigation.
