ORDER OF THE BOARD (by J. Anderson):

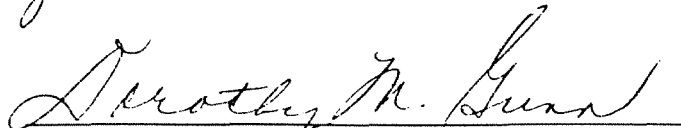

On August 2, 1993, The Grigoleit Company (Grigoleit) filed a status report in response to the Board's June 17, 1993 order in this matter. In its June 17, 1993 order, the Board directed the parties to file status reports with the Board by July 16, 1993.

In its report, Grigoleit states that petition for leave to appeal of The Grigoleit Company v. IPCB and IEPA (4th Dist.), No. 4-92-0029, has been filed with the Illinois Supreme Court. The court case involves the appeal of a related case, PCB 89-184. The court is currently on summer recess. Grigoleit anticipates that the court's ruling as to whether it will accept the case will be issued after the first week after Labor Day.

At the outset, the Board notes that Grigoleit is filing its report after the deadline set forth in the Board's June 17, 1993 order. As a result, the report should have been accompanied by a motion for leave to file the report instanter. In the interests of administrative economy, however, the Board accepts Grigoleit's status report. Because the appeal may have a bearing on this matter, the Board hereby continues this matter. Accordingly, the Board will reserve ruling on Grigoleit's September 3, 1992 motion for reconsideration that is currently pending in this case. The parties are directed to file status reports in this matter. Such status reports are to be received by the Board no later than September 20, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 5<sup>th</sup> day of August, 1993, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
