ORDER OF THE BOARD (by J. Anderson):

On July 15, 1993, The Grigoleit Company (Grigoleit) filed a status report in response to the Board's June 17, 1993 order in this matter and a motion to continue. In its June 17, 1993 order, the Board directed the parties to file status reports with the Board by July 16, 1993.

In its motion, Grigoleit requests the Board to continue this matter and require the parties to file a status report on or before August 16, 1993. Grigoleit asserts that such extension will provide it with additional time to determine what course of action it intends to follow in this matter as well as in PCB 92-110, In the Matter of Trade Secret Claim by The Grigoleit Company.

In support of its request, Grigoleit states that it, the Illinois Environmental Protection Agency (Agency), and the Attorney General have agreed to engage in settlement negotiations in PCB 91-157, People of the State of Illinois v. The Grigoleit Company. In light of that decision, Grigoleit has unsuccessfully attempted to contact the Agency to discuss possible resolution of this matter.

In light of the above, the Board grants the motion to continue. Accordingly, the Board will reserve ruling on Grigoleit's September 3, 1992 motion for reconsideration that is currently pending in this case. The Board notes that this is the seventh motion to continue this matter. Accordingly, the Board cautions Grigoleit that it will not continue this matter indefinitely and that it expects the parties to expeditiously pursue a resolution of this case. The parties are directed to file status reports in this matter. Such status reports are to be received by the Board no later than August 16, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 22nd day of July, 1993, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
