ORDER OF THE BOARD (by J. Theodore Meyer):

On April 26, 1994 the Illinois Environmental Protection Agency (Agency) filed a motion to file instanter its second motion for extension of time to file its recommendation. The Agency states that it seeks to file the motion for extension of time instanter because prior counsel for the Agency assigned to this case has obtained other employment, and due to some confusion, the Agency failed to file its second motion for extension of time to file its recommendation in a timely manner. The Board grants to motion to file the motion for extension of time instanter.

In its motion to for extension of time to file its recommendation, the Agency states that during the course of its investigation, further analysis and input from TRW, Inc., are needed. The Agency requests until May 31, 1994 to file its recommendation. The Board grants the Agency's motion for extension of time; the Agency's recommendation is now due on or before May 31, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 5<sup>th</sup> day of May, 1994, by a vote of 6-0.
