ORDER OF THE BOARD (by R.C. Flemal):

On April 21, 1994 the Board noted in its set-for-hearing order that the petition filed in this appeal was deficient in that it failed to include a copy of the County Board's decision. The Board then stated that if an amended petition curing this defect was not filed within 14 days, the matter would be subject to dismissal. The Board noted that the filing of an amended petition would restart the Board's decision timeclock.

On May 3, 1994 the petitioner filed the a partial copy of the County Board's decision and on May 5, 1994 filed an apparently complete copy of the County Board's decision. These actions thereby amend the petition and restart the decision timeclock. Absent any future waivers of the decision deadline, the decision deadline is now September 2, 1994 (120 days from May 5, 1994); the immediately-preceding regularly-scheduled Board meeting is September 1, 1994. These dates supersede the dates calculated at page 3 of the April 21, 1994 order.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 5th day of May, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
