ORDER OF THE BOARD (by B. Forcade):

On August 6, 1993, Community Consolidated School District No. 15 (School District) filed a status report with the Board. The status report indicates that all appellate briefs have been filed in Appeal No. 1-92-4145, Board of Education, Community Consolidated School District No. 15, Cook County v. Thomas L. Armstead and the Office of the State Fire Marshal. The School District also notes that oral argument has been requested but no date for argument has been set. As noted in previous status reports, resolution of the issue before the appellate court may resolve the issues raised in the petition for review before the Board.

To assure that this matter before the Board is handled as expeditiously as possible, the School District is instructed to inform the Board promptly of any changes in the current status of these proceedings. The School District is directed to continue filing status reports every six months or sooner if the circumstances warrant. The next status report is to be filed with the Board on or before February 1, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 26th day of August, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
