ORDER OF THE BOARD (by J. Anderson):

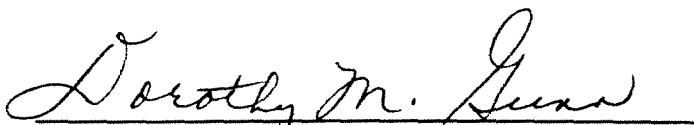

On January 29, 1993, the People of the State of Illinois (People) filed a motion asking the Board to stay its Board's January 21, 1993 interim order in this matter for 30 days. In that order, the Board granted the People's motion to strike certain affirmative defenses asserted by Chem-Plate Industries, Inc. (Chem-Plate). The Board also granted the People's motion for summary judgment and found that Chem-Plate violated Section 21(i) of the Environmental Protection Act and 35 Ill. Adm. Code 722.141 (i.e., the annual reporting requirement for generators of hazardous waste who ship waste off-site).

In support of the motion, the People assert that the parties have agreed to a settlement and are now in the process of collecting the required signatures. The People also assert that both parties wish to inform the Board of the same as to avoid wasting resources.

The Board hereby grants the motion for stay until March 8, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that on the 4<sup>th</sup> day of February, 1993, the above order was adopted by a vote of 6-0.
