ORDER OF THE BOARD (by G. T. Girard):

On May 4, 1993, the Board received a status report from respondent in response to an April 22, 1993 order and a motion to file the status report instanter. The Board grants the motion to file instanter.

The Agency indicates that its review of the issues in this variance proceeding are ongoing. Further, a draft NPDES permit was issued on April 24, 1993 and the issuance of such a permit will potentially alleviate the need for the variance sought by petitioner. The report indicates that reasonable progress has been made and the Board directs the parties to file an additional status report by July 15, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 5th day of May, 1993, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
