ORDER OF THE BOARD (by B. Forcade):

This matter is before the Board on a March 8, 1993 motion to file the record instanter, filed by the Illinois Environmental Protection Agency (Agency). The petition was filed with the Board on February 10, 1993, and the Agency states that it received notice of the petition on February 16, 1993. Pursuant to 35 Ill. Adm. Code 105.102(a)(4), the Agency record is to be filed with the Pollution Control Board within 14 days "upon notice of the petition". The record was therefore due to be filed on March 2, 1993. This motion and the record were filed 20 days after the Agency received notice of petitioner's appeal, and are 6 days late.

The Board is concerned about the delay in filing this record. The Board also notes with concern the absence of any earlier motion requesting an extension of time. However, because the Agency's record is necessary for the decision of this proceeding, the motion to allow filing of the Agency record instanter is hereby granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11th day of March, 1993, by a vote of 6-0.

 Dorothy M. Gunn, Clerk
 Illinois Pollution Control Board
