ORDER OF THE BOARD (by J. C. Marlin):

On April 7, 1993, Olin and the Illinois Environmental Protection Agency (Agency) filed a joint status report in this matter. The parties report that they have been actively pursuing settlement and that they have agreed in principle to coordinate the closure of several units involved in this appeal. The parties also state that pursuant to settlement discussions, Olin is preparing plans to submit to the Agency on or before May 15, 1993, for extended closure/post-closure plans for some of the units involved in this appeal. Finally, the parties state that if an agreement is reached, Olin will move for a dismissal of this appeal.

The parties are ordered to file a status report in this matter on or before June 8, 1993, in the event this appeal has not been dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 8<sup>th</sup> day of March, 1993, by a vote of 6-0.
